

FEDERAL BANK

Hormis Memorial Foundation
Beyond Banking, Building a Better Society

E.C.H.O.

Engage Community : Harness Opportunity

A CSR Bulletin from Federal Bank

Corporate Social Responsibility (CSR) has been an inherited and inbuilt element of Federal Bank's culture. Federal Bank Hormis Memorial Foundation, instituted as a public charitable trust in 1996, to perpetuate the fond memory of the Bank's founder late K. P. Hormis, is the principal arm in implementing various CSR programs/ projects of the Bank. The activities of the Trust are directed towards inculcating better knowledge and awareness in the field of banking through training programmes, focused seminars, and so on.

Federal Bank has been meaningfully contributing for the improvement of society to create a positive impact on the world through its sustainable practices, philanthropic endeavours, and community engagement. The Bank has approved a policy for Sustainable Development, which ensures that Bank's activities are conducive to sustainable social welfare. The CSR goals of the Bank aligns with the Sustainable Development Goals (SDGs) established by the United Nations.

Federal Bank signed an MoU with Christian Medical College (CMC), Vellore to support the construction of a new College of Pharmacy on July 15th, 2025. The new pharmacy college, backed by a ₹13.73 crore grant from the Federal Bank Hormis Memorial Foundation, will span 40,476 sq ft on 2.5 acres in Bagayam, Vellore. It will be the district's first dedicated pharmacy institution, equipped with advanced labs, lecture halls, and research facilities. With an annual intake of 60 students, admissions will begin in the 2026–27 academic year.

- Establishment of Vellore's first of its kind Pharmacy College
- World-class infrastructure for 60 students annually
- Strengthened healthcare education ecosystem

Haj House Malappuram – Rooftop Solar Plant for Sustainable Energy

Haj House Malappuram, a hub for student coaching and youth training, faced high operational costs due to electricity consumption. To address this, the Bank supported with the installation of a 35kW rooftop solar plant, promoting clean energy and cost efficiency.

- Sustainable power source for educational programs
- Reduced carbon footprint and operational costs
- Empowerment through green energy solutions

As a responsible organization dedicated to societal welfare, the Bank has taken a proactive approach to breaking these barriers through ‘Sanjeevani – United Against Cancer initiative’.

In Phase-III, Federal Bank has expanded its hospital partnerships and extending its geographical coverage. In addition to our existing tie-ups with Assam Cancer Care Foundation, Tata Cancer Care Foundation, CMC Vellore, Reliance Foundation Trust Hospital - Mumbai, and Caritas Hospital - Kottayam, we have partnered with MVR Cancer Centre - Kozhikode, Sri Shankara Cancer Care Foundation - Bangalore, Basavatarakam Indo-American Cancer Hospital & Research Institute - Hyderabad and Bhatia Hospital - Mumbai.

Federal Bank remains steadfast in its mission to expand cancer awareness and enhance patient support, ensuring that individuals from economically weaker backgrounds receive quality medical care. Through media outreach, community engagement, and strengthened hospital partnerships, the Sanjeevani – United Against Cancer initiative continues to transform lives, making a meaningful impact in the fight against cancer.

By leveraging media partnerships with Network 18, expanding hospital collaborations, and optimizing CSR resources, Sanjeevani – United Against Cancer continues to create lasting impact, ensuring timely medical intervention, community education, and financial assistance for those in need.

- 5,337 patients supported in FY 2025–26
- 9 Hospital Chains across India, 1 Media Partner
- Increased access to timely diagnosis and treatment

Federal Bank Hormis Memorial Hockey Arena – Empowering Rural Sports in Coorg

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

In a bid to promote sports excellence in rural India, the Bank contributed ₹1 crore to Ashwini's Sports Foundation for the construction of a world-class Astro Turf facility in Gonikoppal, South Coorg. Named the Federal Bank Hormis Memorial Hockey Arena, the facility honors the Bank's founder and aims to nurture young hockey talent. Equipped with professional-grade turf and coaching infrastructure, the arena will serve as a training ground for aspiring athletes, fostering discipline, teamwork, and national-level competitiveness.

- First Astro Turf facility in South Coorg
- Enhanced sports infrastructure for rural youth
- Promotion of hockey and physical well-being

Water ATMs for Varanasi – Public Access to Clean Drinking Water

6 CLEAN WATER AND SANITATION

With scorching summers and rising water demand, Varanasi Municipal Corporation sought support to install Water ATMs across the city. Water ATMs were provided by the Bank to Varanasi Municipal Corporation which ensured clean and safe drinking water in public spaces.

- Public access to clean water in high-footfall areas
- Improved urban sanitation and health outcomes
- Support for smart city infrastructure

Blossom Valley Therapy Centre – Vehicle Support for Home-Based Care

3 GOOD HEALTH
AND WELL-BEING

Blossom Valley Therapy Centre in Pampady specializes in developmental therapies for children with complex learning and behavioral challenges. To extend its services to children unable to travel, the centre offers home-based rehabilitation. The Bank supported the purchase of a Maruti Eeco vehicle to facilitate the transport of therapists and equipment, ensuring consistent and personalized care at patients' homes.

- Improved access to therapy for children with special needs
- Seamless delivery of home-based rehabilitation services
- Strengthened community-based healthcare

ADARRT Pala – Water Treatment System for Rehabilitation Centre

6 CLEAN WATER
AND SANITATION

A water treatment system was installed at ADARRT, a rehabilitation centre for individuals recovering from addiction. This ensured clean water for both inpatients and outpatients.

- 12,000+ beneficiaries receive safe drinking water
- Improved hygiene and recovery environment
- Strengthened support for addiction rehabilitation

Vimalagiri International School – Interactive Panels for Digital Learning

4 QUALITY
EDUCATION

To enhance classroom engagement and digital literacy, two interactive panels were installed at Vimalagiri International School, Muvattupuzha. These panels aided in transforming the traditional teaching into dynamic, tech-enabled learning.

- 526 students benefit from interactive learning tools
- Boosted academic performance and digital readiness
- Strengthened infrastructure for modern education

Prabhat Tara Health Centre, Bihar – Water Cooler Installation

6 CLEAN WATER
AND SANITATION

A water cooler was provided to Prabhat Tara Health Centre, ensuring patients have access to safe drinking water during their hospital visits.

- Improved patient comfort and hygiene
- Enhanced healthcare facility standards

Vellore City Municipal Corporation – Organic Shredder for Waste Management

11 SUSTAINABLE CITIES AND COMMUNITIES

To tackle organic waste disposal, organic shredder machine was provided to Vellore City Municipal Corporation. This initiative helped in composting, reducing landfill burden thereby promoting eco-friendly urban living.

- Efficient organic waste processing
- Reduced greenhouse gas emissions
- Support for Swachh Bharat and Smart City goals

St. Joseph's HSS, Karimannoor – Desktop Computers for Digital Empowerment

4 QUALITY EDUCATION

20 desktop computers were provided to St. Joseph's Higher Secondary School, Karimannoor, enabling IT education for 2,200 students. Despite financial constraints, the school has consistently achieved academic excellence with the Bank's support.

- Digital access for 2,200 rural students
- Strengthened IT curriculum and career readiness
- Bridging the digital divide in underserved communities
